REQUEST FOR MEDICAL CLEARANCE

Dear Doctor:

I am planning to initiate treatment for your patient.

Please advise me if there is anything in the patient's medical history of which I should be aware. Are there any contra-indications with regards to medication?

We have the following information listed for:

Specific treatment could involve the following:

- Deep cleaning of the gum and teeth.
- Office surgical flap procedure (1cm incisions) closed with sutures.
- Codeine medication
- Zylocaine anesthetic containing epinephrine
- Local Carbocaine or lidocaine injectable nerve block
- Transient bacteremias
- Dental apprehension
- Diet interruptions
- Localized bleeding and discomfort could be involved

Thank you in advance for your help.

Sincerely,

M. Jeffrey Morton, D.M.D., P.A.
